## OUR LAW FIRM

**“OIKONOMAKIS LAW”** is a leading Greek Law Firm with a national and international projection providing legal advice and assistance based in high standards of expertise, rigor and high quality criteria.

Since its establishment in 1997 the Firm operates at both national and international level through its offices worldwide and collaborates with other professional firms of high standing in order that the needs of its clients are always best met. **“OIKONOMAKIS LAW”** applies the quality management standards as set by the EN ISO 9001:2015 and EN ISO 27001:2013 - Certification System by having been accredited by RIGCERT - according to the management and certification procedures of the said body.

We are a close-unit team across all our practices and locations. Our team is experienced, flexible and reliable thus providing our clients with sophisticated legal advice, creative and practical solutions. We believe clients receive the best representation when attorneys with relevant expertise work together. Our compensation model, technology platform and firm activities are built around this concept.

Our mission is to provide high quality legal and consulting services and advice and to assist our clients in achieving goals and objectives and defending their interests. We cherish longstanding relations with our clients as we believe that in-depth knowledge of the client's business is an important improvement factor of our services.

The Founder and Managing Partner of our Law Firm Mr. Oikonomakis Christos practices Law worldwide. He is a European Lawyer and practice Law in Germany (Dusseldorf Bar Association), Romania (Bucharest Bar Association), Greece (Piraeus Bar Association), Bulgaria (Sofia Bar Association), Cyprus (Limassol Bar Association), France (Paris Bar Association) and United Kingdom (Solicitors Regulation Authority). He offers comprehensive knowledge across the full spectrum of all practice areas, European and International Law and provides top legal representation and consultancy to our clients.

Our vision is to ensure a high level of legal assistance and consultancy in all areas of practice worldwide, to provide the top challenging academic and working environment and to promote the ethical practice of Law.
